

Senior Financial Analyst – Tax Specialty (FT or PT)

Powerex Corp., an entrepreneurial focused, fast-paced, wholly owned energy marketing subsidiary of BC Hydro, has an opportunity for a Financial Analyst to join our Finance team. Please note that this role could potentially be configured as either a Full-time or Part-time role depending on the candidate's level of experience and work/life considerations.

Duties:

Reporting to the Manager, Finance, you will apply your strong background of tax experience to provide professional tax service and senior level guidance to the Finance department. Being a self-starter, you'll proactively identify and provide recommendations of tax impacts on prospective transactions and implement tax policies, procedures, and controls. Furthermore, you'll bring strong financial leadership to the Finance team, including senior level preparation and review of complex working papers, review of IFRS based financial statements, and coaching and developing fellow team members. You'll be surrounded by a strong team of finance professionals, working together to deliver best-in-class service to the executive management.

Furthermore, you'll leverage your professional toolbox to:

- Research tax queries for Powerex's operations in multiple jurisdictions (principally in the US);
- Assist in the preparation/co-ordination for tax returns (including detailed state apportionment schedules) and other tax related filings;
- Oversee corporate and other tax instalments and payments;
- Work within SAP and other proprietary systems to extract financial data to fulfil tax reporting requirements;
- Review and provide technical analysis for tax and accounting initiatives;
- Communicate with tax authorities on various tax matters;
- Collect and analyze large volumes of information and develop and implement innovative solutions that can be readily maintained and used by others to create, gather and compile financial data.

Qualifications:

The successful candidate joining our team must possess and demonstrate the following:

- A professional designation such as a Chartered Professional Accountant (CPA);
- A minimum of 3-5 years professional accounting experience with at least 3 years of tax exposure. Preference will be given to candidates with US federal and state corporate tax backgrounds;
- Superior communication and interpersonal skills with the ability to succinctly analyze, summarize, and present information to various management levels of review;
- Ability to develop and maintain high levels of enthusiasm, teamwork and motivation in achieving department and business goals;
- Strong working knowledge of MS Office suite and proven ability to grasp new technology tools.

What We Offer:

Powerex Corp. offers a high-energy entrepreneurial atmosphere, ability to work with talented individuals, a comprehensive rewards package, and a healthy work/life balance.

How to Apply:

If you are interested in this opportunity, please email hr@powerex.com Please note, that only candidates selected for interviews will be contacted.
